phones with a direct link to a local phone line are able to operate. Phones that are not directly linked (for example, cordless phones with answering machines) need electricity to make and receive calls. If you would like to register another phone number, such as a cell phone, as your account's primary phone number, please go to RIEnergy.com/myaccount to update your information so that we may be able to reach you with important information during power outages.

Understanding Your Bill

**Customer Charge** - The cost of providing customer related services such as metering, meter reading and billing. These fixed costs are unaffected by the actual amount of electricity you use.

**Distribution Energy Charge** - The cost of delivering electricity from the beginning of the Company's distribution system to your home or business.
